Executive Meeting February 2008

UPDATE REPORT FROM THE CHAIRMAN OF THE WORKING GROUP ON: Job lanning
Guidelines
Graham Venn and Graham Cooper

A. MEETINGS

MEETING	DATE	MINUTES
Regional Representative Meeting	Dec 2007	

B. MATTERS OF INFORMATION FOR THE EXECUTIVE COMMITTEE:

The proposed Job Panning sub-committee proposals have been (repeatedly) put to the professional standards group at the RCSEng. This is now being discussed by Lavinia Blackett, head of professional standards and AAC and John Collins at Council level.

This proposed process may need to take account of the RCS(Eng) proposals to revamp the regional representative role.

I hope to have a formal way forward shortly.

regards

Graham
